

THE CONNECTIONS CONNECTION

Don't wait in line, order your food online!

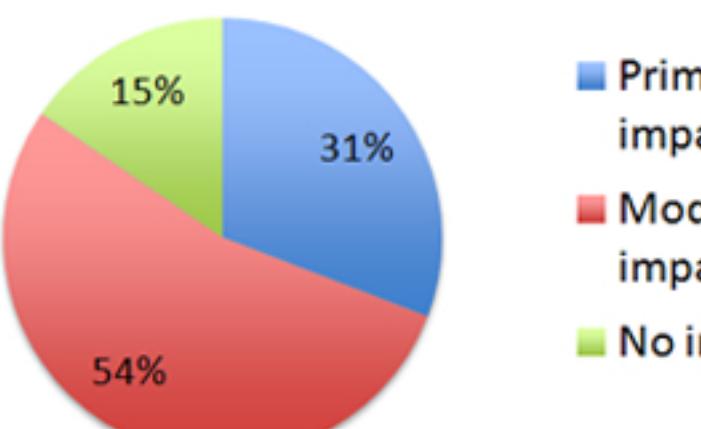

Matt DeMartino, Yunping Shao, Carolyn Sohmer, Zach Taylor, Ted Teumer, & Ru Zhao

NEEDFINDING

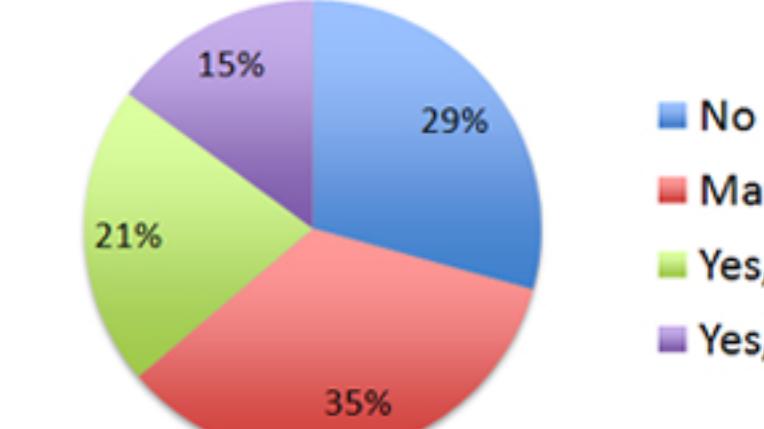

Do you ever choose NOT to get food on campus because you do not have time?

How much impact does the WAITING TIME have on your decision of where to get food?

Would you go to Connections more if you could order food online that would be ready when you arrive?

Students want to get food on campus but don't have time to wait in line.

Campus cafes are burdened during rush periods.
